**Price : US\$ 100**

The book provides a detailed explanation of how to appreciate every variety of Nishikigoi. The learning experience is enhanced with 3 extra features. First, there is a Question and Answer booklet that answers over 200 questions on Koi and Koi keeping. Second, there is a CD-ROM that trains you to compare over 150 Nishikigoi by asking you to judge 2 Koi at a time, and then sharpens your skills by indicating and explaining the specific points you should use in the comparison. And third, a comprehensive glossary provides a correct pronunciation guide to a detailed index of Koi terms. This is your one complete source for understanding Koi Varieties!
